Kelly—

For 8 Mats the cost would be 945.67\$

For 4 Mats the cost would be 673.21\$

Let me know if this helps.

This is also subject to change as we do not make the shipping rates.

Subject: Re: DMS Mobi Mats- Quotes

Thank you, Liam, I appreciate you taking the time to put together the quote. However I do not see the cost listed for boxing, crating, shipping, handling, and delivery. Can you please add that? I understand that cost may change but we need to put in a funding application for the total amount required for the purchase.
